**It's
Prostate Cancer Awareness
Month
September 2021**

**Please join us at our next Zoom
Monthly meeting, Everyone Welcome.
Our Awareness Month Guest Speaker will
feature Dr. Walid Shahrour Urologist**

**September 16th, 2021 @ 7:00 pm.
Everyone Welcome.
Topic: Fusion Guided Prostate Biopsy
Why it is safer and more accurate.
Request for a Zoom link, email**

info@prostatecancersupporttbay.org

Mayor Bill Mauro is proclaiming September as Prostate Cancer Awareness Month in Thunder Bay. The proclamation will be on the City of Thunder Bay website and on September 1, 2021 the Prostate Cancer Support Thunder Bay flag will be flown at City Hall. Because of COVID 19 restrictions, there will be no ceremony this year. All of September, we're going to be doing our best to provide awareness of prostate cancer. The more attention we get, the more awareness we can raise, and the more men we can encourage to be aware of their risk and get checked.

Note: PSA reimbursement cost for a regular PSA continues until December 31, 2021.

Please read the following .

Personal story of Keith Moore

Why I wish I would have had a PSA test.

This year's prostate cancer awareness week is very special to me because I am 72 and I was just diagnosed with prostate cancer. I spent my career as a teacher of trades. I always wanted my students to be aware of dangers and to be prepared to respond appropriately. But this diagnosis of prostate cancer took me unaware. In spite of all the test and medical procedures that I have had, I never had a PSA test and they are so easy to get. This summer I went to the emergency with severe back pain. As a result, I found out that I have prostate cancer that has spread to my spine. My pain is being controlled and I have started treatments at the cancer centre. I have talked to men at Prostate Cancer Support Thunder Bay and found men who understand what I am going through. They are good listeners, and their experience is helping me in this. My faith in the Lord has carried me through the trouble times and will continue to be there for me. The people at the cancer centre and support group are God's love in action. Still, I wish I would have taken the responsibility and told my doctor that I wanted a PSA test done before it got this far.

Keith Moore

Presidents Message

Dear Members and Friends

Hope you had a great summer. Some of us were at camp and others had fishing trips. Some traveled in our beautiful country. The weather sure as cooperated to all these summer things that we enjoyed.

September is Prostate cancer month. September 1st our Prostate Cancer Support Thunder Bay flag will be raised at City hall and there is a proclamation on the city website proclaiming that September is prostate cancer month in Thunder bay. Because of COVID restrictions, there will not be a gathering for this event.

Our monthly meeting September 16 will be a zoom meeting and Dr Sharour will be our guest. We are trying hard to bring back the in person meeting we are in contact with 55 plus about when this can happen.

Our coffee meetings are still virtual but hoping to restart at AW on Memorial soon.

We are still offering to pay for men's PSA until December 31st 2021 and we are ramping up to have a men's health fair for September 2022 .

Hope to see you soon.

Sincerely

Your President

Marc Breton

Friendly Reminder ! Our annual \$12 membership dues are usually collected throughout the year. It is a small amount but helps us know you support the work we are doing as well as our continuing expenses. To make it easier, we are adding e-transfer through your bank as an option for sending us annual dues and donations. More details are on the donation form on our website. Use P/W 2021

We believe in it so strongly that.
we will reimburse you for
your PSA test !

**The PSA test is a key step in early
diagnosis of prostate cancer**

Early Detection Saves Lives

Get Informed!

Talk to your health care professional!

Get your blood work done!

Send us the receipt!

Address below and check us out
